

# INFORMATION

**To all our patients,  
to avoid further spreading of the  
COVID-19 Virus we ask you to comply  
with our requests!**

- **Please refrain from visiting our practice if you have any signs of a cold (fever, cough, sore throat), or if you have been visiting high-risk countries within the last 14 days.**
- **Please disinfect/wash your hands when entering the practice.**
- **Please ensure to keep your distance both to our staff as well as other patients. This needs to be a minimum of 1,5 meters.**
- **Please come on your own to avoid over-crowding.**

**Thank you for your understanding, your practice team!**
